IT'S ONLY NATURAL

We believe that the way we do business is as important as the way we grow our tobacco. That's why being earth-friendly is a part of our everyday lives.

Whether it's using wind power to run our offices, or contracting directly with farmers to grow tobacco using earth-friendly and organic growing practices, we're dedicated to reducing our footprint on the earth.

So try the true authentic taste of Natural American Spirit 100% additive free, natural tobacco for yourself. We think you'll agree, natural just tastes better.

Nature is not negotiable.

Natural American Spirit is the only brand that features both cigarettes made with 100% certified organic tobacco as well as cigarettes made with 100% additive-free natural tobacco.

In our effort to create exceptional products in a thoughtful and sustainable way, we’ve pioneered our own earth-friendly and organic tobacco growing programs and committed to renewable energy sources, including wind power and reforestation.

We are so confident that you will appreciate the premium, additive-free tobacco used in Natural American Spirit products that we want you to try it for yourself.
